Sea Captain Chronograph

Bentley launched Sea Captain into this year's watch collection, this particular model lineup described by Bentley as the first foray into a class of watches designed specifically for dive and water sport enthusiasts. Sea Captain's core design pays homage to other dive watch legends from Switzerland, infuses with remarkable Bentley watchmaking expertise and unprecedented material advancements, the new models purport a distinct sporty elegance and applauded as a great addition to the Bentley family.

Sea Captain watches are housed in stainless steel cases, the casing is engineered from ground up to accommodate the external hi-tech ceramic bezel that turns uni-directionally, elapsed dive timer markings made of ceramic are engrave onto the bezels displayed in intervals of 20s. Five striking dial colors are available, silver, blue, black, brown and two tone gold and black , the dials have wave patterns discretely imprinted on the surface inspired by ocean waves and sunny sky, and as standard equipment the date aperture is set at 3 O'clock position. Sapphire crystal glass with nine layers of anti-reflective treatment domes over the meticulously finished dial, the glass virtually eliminates any surface glare and ensures protection in inclement conditions, the watches are also equipped with triple lock screw down crown, and as described by Bentley the watches are sea worthy upto 100 meters in depth.

About Bentley – Bentley the watch brand was established in 1948 in La Chaux-de-Fonds, Switzerland. The town is steeped in the history of Swiss horology, and known to the world as the cradle of modern watchmaking.
