## BENTLEY AQUA MARINE

The inexhaustible ocean is the trial field of adventurous spirit and wristwatch function. Originated from Switzerland and produced in Germany, BENTLEY watch brand launches its new AQUA MARINE series, transforming sea heroes' courageous stories into top-quality gentlemen watch collections.

BENTLEY AQUA MARINE watch series, with the debut of wave-pattern dial, exteriorizes the ever-changing billowness of ebbs and flows. The watch is arranged with central seconds, 100m depth water-resistance, and date window at 3 o'clock direction. Rod-shape hands are ornamented in three-dimensional dual design, with delicate B-word logo adorning second hands and 8 o'clock index. Minute hands adopt multi-color outer layer, manifesting its outdoor fashion. Hands and indexes are covered with long-lasting luminous paint, strengthening time-reading clearness in undersea or gloomy environment. Rotatable stainless-steel bezel is equipped with 60-minute time keeping function, while integrated stainless-steel case adopts lugs and 3-panel bracelet. BENTLEY AQUA MARINE watch series, stands on classics, and sets the new icon for outdoor male watch.
