BL1853- Ethereal Charm Timepiece

A Concise Style and Affordable Luxury Timepiece Speaks for Male and Female

Just as a rice spike the lower it bows the more mellow and ripe it is, a person stays more humble means the deeper the depth he contains. BENTLEY Ethereal Charm Timepiece is shaped in classic roundness with reserved and concise style to speak for its impeccable craftsmanship. The closer you observe the details the more amazement you will discover.

Watch case is made thin and portrayed in curve lines to provide ultimate comfort to the wearer. Three concentric circle are radiated on the dial in three separate layers. The inner and the outer ring adopt sun ray pattern in satin while the middle ring in between uses concave polishing pattern. Hour and minute hands in willow leaf shape along with slender second hand and solid sword shape time indexes make time-telling easier and clearer, and in the meantime exude a dazzling glare through lighting reflection. Moreover, the Arabic numerals located at 6 and 12 o'clock and BENTLEY logo and the date window situated at 6 o'clock on the dial increase layers of complication.

Silver, black, blue and brown colors are for dial options and stainless steel and golden stainless steel material and colors are for watch case option. Leather strap and bracelet strap as usual are up for choices as well. 40mm size for men and 32mm size for women that can be paired as a love token for couples to commemorate and document the eternity of love against time.
